"LAND REGISTRY ACT"

WHEREAS under the provisions of Order in Council No. 447, approved April 5th, 1941, regulations were made governing the registration in the Land Registry Office, Vancouver, of the title to leases granted by the Crown in the right of Canada to parts of the foreshore and bed of Burrard Inlet:

And whereas under the provisions of Order in Council No. 472, approved April 8th, 1941, the provisions of the regulations enacted by the first-mentioned order were extended to the registration of the title to leases granted by the Crown in the right of Canada to any part of the foreshore and bed of New Westminster Harbour, being all the foreshore and bed of the Fraser River, including all its various channels west of the west boundary of the Dominion Government Railway Belt, extending on the North Arm to a line drawn north astronomically across said arm from the north-west corner of Lot Seven hundred and fifty-eight (758), Group One (1), New Westminster District, and on the main river to a line drawn across said river from the north-east corner of Lot One hundred and thirty (130), Group Two (2), New Westminster District, to the southerly south-east corner of Section Seventeen (17), Block Four (4) north, Range Four (4) west:

And whereas the Registrar of the New Westminster Land Registration District reports that Trans Mountain Oil Pipe Line Company is applying to Her Majesty in the right of Canada for a grant of easement or right-of-way over a portion of the bed of the Fraser River lying within the limits of New Westminster Harbour as hereinbefore defined, for the purpose of laying its pipe-line in the bed of the Harbour:

And whereas the Minister remarks that it is in the public interest that the title to easements and rights-of-way granted by the Crown in the right of Canada over the foreshore and bed of New Westminster Harbour should be registered under the provisions of the "Land Registry Act" in the same manner as leases comprising the foreshore and bed of New Westminster Harbour are registered, and that accordingly regulations should be made under the provisions of section 257 (2) of the "Land Registry Act" to permit the registration of such easements and instruments of title derived therefrom:

His Honour the Lieutenant-Governor in Council has been pleased to order that, pursuant to subsection (2) of section 257 of the "Land Registry Act," the following regulations be made:—

(1) Upon application being made under the provisions of the "Land Registry Act" for the registration of title comprised in any easement or right-of-way covering part of the foreshore or bed of New Westminster Harbour as hereinbefore defined, derived from the Crown in the right of Canada, and where no certificate of indefeasible title has been issued covering the land comprised in the easement or right-of-way, the Registrar, upon being satisfied that the applicant has a good safe holding and marketable title thereto, and upon deposit of the original grant in his office, and upon payment of the same fees chargeable in respect of easements now registered under the "Land Registry Act," shall register the title claimed by the applicant by entering a memorandum of the easement or right-of-way in the register prescribed under the provisions of Order in Council No. 447, approved April 5th, 1941.

(2) Where the easement or right-of-way has been so registered, the title conferred by any instrument of assignment or charge in respect of that easement or right-of-way may, upon application and upon payment of the proper fees, be registered by endorsement of a memorandum thereof in the same folio of the register in which the easement is registered.

(3) The entry of the memorandum in accordance with the provisions of the preceding paragraphs shall have the same effect as if the Crown in the right of Canada had applied for and obtained a certificate of indefeasible title to the land described in the easement or right-of-way, and the easement, right-of-way, assignment, or charge were registered against the title in accordance with the provisions of the "Land Registry Act."

(4) Where an application is made for a certificate of indefeasible title to any land comprising any part of the foreshore or bed of New Westminster Harbour as hereinbefore defined and there are entries in the register affecting the title to the land, the application shall be subject to such entries, and the Registrar, upon issuing a certificate of indefeasible title to the land, shall forthwith carry forward the title created by the entries in the register by endorsing a memorandum thereof in the appropriate register containing the certificate of indefeasible title to the land, effective from the time of registration and in the same order of priority as the entries were made in the register, and thereupon the register defined in paragraph (1), in so far as it affects the land in respect of which the certificate of indefeasible title has been issued, shall be closed.

(5) The provisions of the "Land Registry Act" shall *mutatis mutandis* extend and apply to registrations applied for and effected under the provisions of this order.

And that notice of this order shall be published in five consecutive issues of the Gazette and the order shall become effective on completion of the publication therein.

Throughout the Province no person shall at any time kill, or take, or have in his possession during the entire open season more big-game animals than the maximum number permitted to be killed, taken, or had in possession in any district.

Every person shall, upon the request of any Game Warden or Constable, furnish satisfactory proof to him of the locality and date on which any game was by him killed, taken, or had in possession.

Section 4

The prohibitions declared by subsection (1) of section 26 of the "Game Act" as to the buying, selling, or having in possession of big game, so far as same relate to game lawfully killed or taken, are hereby removed to the extent and within the periods and limits and subject to the provisions hereinafter set out, as follows:—

Muskrats are only to be taken by the use of traps, but this prohibition shall not apply to areas of the Province enclosed by dykes.

The killing, trapping, or taking of **Fur-bearing Animals** by the use of spring-pole traps anywhere in the Province is prohibited.

No **Bear** shall be trapped anywhere in the Province.

Section 6

No person shall hunt, kill, or attempt to kill any **Migratory Game Bird** by the use or aid of baiting, and no person shall hunt, kill, or attempt to kill any **Migratory Game Bird** within one-half mile of any place, reserved or otherwise, where baiting is being done or where it has been done less than fourteen (14) days before the first day of the open season for ducks or geese in the district in which the said place is situated; and in this section baiting means placing or exposing corn, wheat, oats, or other grain, or products thereof, or any food or other materials which may have the effect of attracting wild birds.

In the hunting of big game the use of any rifle loaded with rim-fire shells, the use of full steel (hard point) metal-cased bullets, and the use of any firearm that can be or is classed as a machine gun or sub-machine gun is prohibited. This regulation is not intended to prohibit the use of arms of the self- or auto-loading types in which the recoil or force of the explosion is utilized to reload but not to fire the weapon.

No person shall have in his possession the carcass of any member of the **Deer Family** or **Mountain-sheep** from which all evidences sufficient to indicate conclusively the sex of the animal have been removed unless the carcass has been transported to the place where it is proposed to consume the carcass. MUNICIPAL BY-LAWS

THE CORPORATION OF THE TOWNSHIP
OF CHILLIWHACK

A by-law to provide for adapting drainage to irrigation and water-supply purposes for certain parts of the Township of Chilliwack and for borrowing on the credit of the municipality the sum of eight thousand dollars for completing the same. Provisionally adopted the 26th day of May, 1952.

WHEREAS two-thirds in number and value of the owners, as shown by the last revised assessment roll, of property hereinafter set forth to be benefited by adapting drainage to irrigation and water-supply purposes, have petitioned the Council of the said Township of Chilliwack, praying that the Township of Chilliwack adapt the "Big Ditch" which lies to the east of the Upper Prairie Road and a portion of the "Centre Line Ditch," also the "English Ditch," and "Elk Creek Ditch," for irrigation purposes, the properties being located in Township 26 and District Lot 384, Group 2.

And whereas thereupon the said Council procured an examination to be made by D. J. McGugan, being a person competent for such purpose, of the said locality proposed to be irrigated and has also procured plans and estimates of the work to be made by the said D. J. McGugan, and an assessment to be made by him of the land to be benefited by such irrigation, stating as nearly as he can the proportion of the benefit which, in his opinion, will be derived in consequence of such irrigation by every lot, or portion of lot. The said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said D. J. McGugan in respect thereof and of the said irrigation being as follows:—

"REPORT OF ENGINEER, EAST CHILLIWHACK
IRRIGATION

"We have made reasonably comprehensive surveys of the watercourses and ditches in the East Chilliwack area adjoining Upper Prairie Road, Chilliwack Central Road and Centre Line Ditch, with the idea of assessing the practicability of summer irrigation. We think the scheme is both feasible and practicable.

"In accordance with a decision given by the Comptroller of Water Rights at Victoria, following a hearing covering all phases of the disposal of waters in Hope Slough, we are allowed to pump out of Hope Slough as long as the level of water in said slough at the Upper Prairie Road does not go below the elevation of 32.0 as shown on our plans, attached to a previous report dated December 22, 1951.

"Under the terms of the above decision, we can erect a small dam with control gates on Hope Slough at the Gregg Road. This will be left until a later date.

"There will be a flume and head gates on the Big Ditch at Hope Slough, which will retain the waters from Elk Creek and the Big Ditch, allowing for an overflow beginning when the water in Big Ditch at Hope Slough rises above an elevation of 37.5 feet.

"A control gate will also be installed on the culvert running parallel to the Upper Prairie Road at Chilliwack Central Road, to hold water above the culvert. An overflow will also be installed to allow all water above an elevation of 39.5 to flow down the Big Ditch.

"In the two above structures, a pile foundation is provided for the installation of pump and motor at each location, when such installation is deemed necessary.

"No further work at the moment is proposed on the 36-inch culvert across Upper Prairie Road at the Centre Line Ditch. Any necessary control at this culvert will be exercised by use of the Calco Gate on the east end of culvert.

"A gravel and earth dam will be installed in the Centre Line Ditch in the same location, and of the same size as the one installed and used in 1951.

"We think that the scheme is both feasible and practical. The life of the structures should be twenty-five years. The cost per acre per year for five years including interest at 4¼ per cent will be \$2.2352.

"Estimate of Cost of Scheme

" 1. Hope Slough and Upper Prairie Road — Install flume and control gates to regulate flow of water.....	\$3,649.11
" 2. Upper Prairie Road and Chilliwack Central Road—Install control gates to regulate flow of water	689.52
" 3. Centre Line Ditch (1¼ miles west of Upper Prairie Road) — Install dam with gravel	100.00
" 4. Recognized claim for cost of works constructed as an emergency measure in 1951 by the Springbank Dehydration Ltd. and which works being of a permanent nature can be and are incorporated as part of the scheme to adapt the drainage system to irrigation and water-supply purposes	1,853.03
" 5. Cost of obtaining water licence—	
(1) Legal services, etc....	\$310.00
(2) Engineeringservices, etc.	1,100.00
(3) Advertising	300.00
(4) Contingencies	476.06
	2,186.06
	\$8,477.72"

And whereas the said Council is of the opinion that the irrigation of the locality described is desirable:

Be it therefore enacted by the said Municipal Council of the said Township of Chilliwack, pursuant to the provisions of the "Municipal Act":—

1. That the said reports, plans, and estimates be adopted, and the said irrigation adaptation, and the works connected therewith, be made and construed in accordance therewith.
2. That the Reeve of the said Township of Chilliwack may borrow on the credit of The Corporation of the Township of Chilliwack the

sum of eight thousand dollars (\$8,000), being the funds necessary for the work, from The Royal Bank of Canada and issue a note therefor, payable within five years from the date thereof, with interest at the rate of 4¼ per centum per annum.

3. That for the purpose of paying the sum of eight thousand dollars, being the amount charged against the said lands so to be benefited as aforesaid, other than lands belonging to the municipality, and to cover interest thereon for five years at the rate of 4¼ per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied upon the undermentioned lots and parts of lots; and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid in each

year for five years after the final passing of this by-law during which the said note has to run, the said special rate schedule being attached to and forming part of this by-law.

4. This by-law may be cited for all purposes as the "East Chilliwack Irrigation By-law."

Take notice that the above by-law will be finally passed by the Council on August 11th, 1952.

Any person intending to apply to have the by-law or any part thereof quashed must, not later than ten days after the final passing thereof, serve a notice in writing upon the Reeve and upon the Clerk of the Municipality of his intention to make application for that purpose to the Supreme Court during the thirty days next ensuing after the final passing of the by-law.

J. A. MULFORD,
Clerk.
